

Dave Peabody & Regina Mudrich

Award winning veteran British bluesman Dave Peabody and classically trained violinist Regina Mudrich blew us away on their last visit.

Dave has been one of this country's most respected and authoritative blues guitarists with a career stretching back to the British blues revival of the sixties. Voted "Acoustic Blues Artist of the Year" 3 times by the British Blues Connection and Blues In Britain Magazine.

Regina studied for 9 years at the Special School of Music – University of Music "Franz Liszt" in Weimar, GDR. She's a busy musician including recording with our pal Lucy Ward.

Award winning veteran British bluesman Dave Peabody and classically trained violinist Regina Mudrich join with Green Note regular pianist Tim Penn to perform an entertaining selection of blues, early jazz songs and the odd oddity.

The trio have recently been recording a new album to follow Dave Peabody's much acclaimed 2015 release "Right Now Blues". Dave Peabody has performed internationally as a duo with such American legends as Charlie Musselwhite and Honeyboy Edwards. Regina Mudrich, from Bremen, Germany has worked across Europe with a variety of known folk and blues artists, and Tim Penn plays piano with The Cadillac King's and his own band The Second Line.
